Welcome to
Woodworking
Manufacturing Month
2025

Find the latest industry innovations right here,
October 1–31.

Woodworking at work for all. Woodworking Manufacturing Month (WWMM) is North American woodworking's largest annual event, bringing you the latest products and technologies from top manufacturers. Explore them all here and find new solutions to help you grow.

Online Presence: Participating Exhibitors (Featured)

During the month, each participant ad was featured at the top of the page for a few days.

The Woodworking Manufacturing Month 2025 Participating Exhibitors

Visit Listone →

Founded in 2011, Listone makes engineered panels and custom flooring that combine quality, style and sustainability, upgrading processes and focusing on comfort in every project.

Visit Delmhorst Instrument Co. →

The JX-30 offers an accurate and versatile tool to woodworking professionals. The JX-30 features the Delmhorst EDGE® app, with expanded wood species, customizable settings, and the ability to share data.

Visit Quattrolifts →

Capable of handling glass weighing 110–1900lbs, we offer ideal solutions for glass suppliers, glaziers and window/door manufacturers. Our machines can also handle composite panels, stone, wood doors and more.

Visit Fastmount →

Fastmount simplifies complex panel installation with a system designed for precision and performance—offering a superior alternative to Z-clips for seamless, accurate alignment of intricate paneling.

Participant Resources on the IWF Website

Woodworking Manufacturing Month celebrates the innovative power of the woodworking industry: **Woodworking at work for all.** Below, you'll find everything you need to participate. Thank you for supporting WWMM 2025!

Get Started – Participation Set-up

Woodworking Manufacturing Month provides many opportunities, tools, and resources to help promote your business as a wood products industry innovator. Use the following Participation Set-up steps as a guide to ensure success in your participation in Woodworking Manufacturing Month 2025:

- **IMPORTANT:** Email the following assets to exhibitorservices@iwfusa.com by **SEPTEMBER 18**. We will use the assets to promote you on the IWF home page and in an email to our audience. Contact us with any questions.
 - An image representing your promotion or company: 1200x800 x 72 dpi; jpg or png; avoid putting text on image
 - Logo: .eps / vector file; to display on white background
 - Brief description of the promotion, event, or your company: 30 words max
 - Headline for your description: 5 words max
 - URL to link to
- Select the participation level that best suits your needs. Details are listed below in the Get Organized section.
- Use the WWMM Toolkit to see the tools and resources made available by IWF to help promote your business.
- Prepare an area on your website where you will share the details of your promotion and your participation in WWMM.

Get Organized

To help you get started, we have organized the program into three suggested levels of participation. You have committed to WWMM – now just decide which participation level is right for you and start promoting. Find the resources listed in each level in the WWMM Toolkit below.

WWMM Basic	–
WWMM Accelerated	+
WWMM Advanced	+

Get the WWMM Toolkit

The WWMM Toolkit consists of tools and resources to assist you in promoting your participation in the event, including digital assets, content, and suggested Participation Ideas, all of which can be found below:
